End-of-the-Year Policy for All Students

All payments are to be completed by June 1 of the current school year. Tuition or Registration Fees not paid in full by June 1 will be charged with interest at the rate of 5% per month on the balance due. New registration will not be accepted until payment is made in full. End-of-the-year report cards will be withheld for students who have unpaid balances for tuition, registration, extended care, and/or preschool tuition (for siblings). Records will not be transferred to another district until all payments have been made in full.

Tuition Payment Conditions

1. For Non-Members and Divine Grace Members on a tuition payment plan, payments are due the first of each month. A 5% late fee will be charged if not paid by the tenth (10th) of each month. If the due date falls during a school break, payments are due on the first day classes resume. Failure to pay promptly may mean the dismissal of the child from the school.
2. Refunds for any reason are decided by the Elementary Education Board.

Miscellaneous Conditions for Non-Member Enrollment

1. All non-member parents/guardians and students agree to follow the policies of Divine Grace as described in handbooks, newsletters, etc. No non-member parent/guardian or student has a voice in the decisions made by Divine Grace Lutheran Church and its Committees.
2. The non-member parents/guardians of student(s) in Developmental Kindergarten, Kindergarten, or Grades 1–8 may enroll in our 12-week Bible Information Class (BIC) with the Pastor of Divine Grace. If they do not enroll in BIC, the parents/guardians of K-8 students must attend our Introduction to Lutheran Christianity presentation. Both options will acquaint each family with the teachings of our church and school which are being taught to each child in the classroom. All parents who have not previously completed this requirement need to do so during the school year in which the child is enrolled in our school. Failure to successfully complete the class may result in the non-member child being released from enrollment in our school. Parents need to speak to the Pastor of Divine Grace for the dates and times.*
3. Each 7th and 8th grade non-member student needs to attend our Catechism Instruction Class taught by our Pastor. This class is considered part of our school curriculum. Failure to attend the class regularly may result in the non-member child being released from enrollment in our school.

* Members of churches in fellowship of the WELS who have students enrolled in the school do not need to take the Bible Information Class.

Divine Grace Lutheran Church and School reserves the right to change the tuition, tuition plan, and conditions of non-member enrollment at any time.
